

Unit: DAW

Level: L2

Lab: 05 (HTML+CSS)

In this Lab you are requested **to write the HTML code based on the CSS code provided**. Before starting download the following files from this [link](#).

- The link will contain a styles folders which containing 4 CSS files each CSS file is for one HTML page for example, the **styleAboutUs.css** is the CSS file for the HTML page aboutUs.html.
- The link will contain also a folder containing the images required for the static website.

The static website is composed of 4 pages, each page has to be implemented in an HTML file (4 HTML files in total).

Here are the four pages:

(ONLY HTML CODE HAS TO BE WRITTEN NO MODIFICATION IN CSS CODE)

1- Landing Page:

Here is the final result of the landing page with the CSS file “styleLandingPage.css”

About Us

Handmade Products is a family-owned business that specializes in creating unique, high-quality handmade products. Our products are made with the finest materials and attention to detail, ensuring that every piece is not only beautiful but also long-lasting. We take pride in the fact that all of our products are handmade and support local artisans.

Our mission is to provide our customers with exceptional products that bring beauty and joy to their lives. We believe that handmade products have a special quality that mass-produced items cannot replicate, and we strive to bring that quality to everything we create.

Thank you for choosing Handmade Products. We look forward to providing you with beautiful, handmade products for years to come.
